

Facing Opposition

Acts 6:8-15

June 2nd, 2024

4 Principles:

1. When living for Christ people will rise to oppose us (vv.8-9).
2. He can give us wisdom so they cannot withstand us (v. 10).
3. They may bring false accusations against us (vv. 11-14).
4. God's approval will rest upon us (v. 15).

When facing opposition trust God for your vindication.
