

Simon's Sin
Acts 8:9-24
September 8th, 2024

3 Observations:

1. The old man is in the business of self-promotion (vv. 9-11).
2. Our salvation should result in redirected attention (vv. 12-13).

The things of God are not to be used for our personal gain!

3. Freedom is found in a spiritual extraction (vv. 22-24).
